

Dear Friends of The Reisterstown Festival,

It is with great regret, that due to the COVID-19 pandemic, we are announcing the cancellation of the 2020 Reisterstown Festival, including the parade, fireworks and car show. Our festival would fall in the Phase 3 category of Governor Hogan's plan of reopening the state, and many have predicted this to happen after September 2020. As a program of The Reisterstown Rec Council, we follow all guidelines governed by Baltimore County.

We are sad and disappointed, but we will look forward to seeing you all next year, at our 2021 festival on September 11 and 12.

Please continue to stay safe.

The Reisterstown Festival Committee
